

Charlotte Allen Ph.D.

CEO Rebel Success for Leaders
Change Leadership Consultant | Best Selling Author

At Rebel Success for Leaders, we don't just talk about change - we live it. For over 20 years, we've been the catalyst for transformation, working with Fortune 1000 companies, financial institutions, and start-ups. Our secret? Combining innovation with change leadership to deliver top and bottom-line results.

The Rebel Approach:

- **Break Barriers:** Charlotte's expertise lies in shattering obstacles and empowering teams.
- **Simplify Complexity:** With a Ph.D. from The Ohio State University and an Executive Education Certificate from Northwestern's Kellogg School of Management, Charlotte simplifies the complex.
- **Innovate Fearlessly:** From her 16 years at Kraft Foods to her international bestseller Rebel Success for Leaders - Lead, Grow and Sell Fearlessly, Charlotte's track record speaks for itself.
- **Transform Boldly:** Partnering with STEM leaders, we co-create strategies that push boundaries and build trust and accountability.

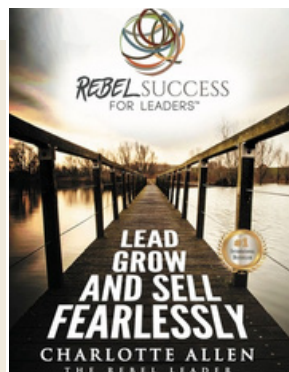

Charlotte's mission? To make change fun and innovations successful. Ready to transform your organization?

Praise Section

"Charlotte helped us focus each member's development along with a challenge with career professionals but the team is now operating well and getting accolades."
-Pat

"Charlotte helped me move out of what I was doing into an area I had passions for. Turns out, I love it and am super successful at it!" - Lisa

"Charlotte Allen leadership workshop and keynote address were my favorite agenda sessions. It was very practical advice to becoming a better leader" -Plastic News, Women Breaking The Mold

Mission to equip 5000 Change Leadership Experts. With at least 60% of them women.
