

Charlotte Allen

OFFICIAL BIO IN THREE LENGTHS

190 words

Dr. Charlotte Allen is a strategic advisor and change leadership expert with over 25 years driving innovation velocity, technology commercialization, and organizational transformation in global food and beverage and consumer products organizations. As Founder and CEO of Rebel Success for Leaders, a boutique services firm, she partners with Fortune 500 and mid-market organizations on enterprise-wide strategic initiatives that accelerate growth and build competitive advantage.

She spent 16 years at Kraft Foods where she led innovation and technology strategies across 10+ iconic global brands. She brings an independent perspective that challenges conventional thinking and introduces cross-industry best practices to accelerate growth and mitigate risk. She has a proven track record linking technical investments to commercial outcomes, managing enterprise wide change during corporate restructuring, and building organizational capabilities that enable strategic pivots.

Dr. Allen holds a Ph.D. in Food Science from The Ohio State University and Executive Education Certificate at Kellogg School of Management as well as certifications in Private Company Governance from the Private Directors Association. She is the author of the international bestseller Rebel Success for Leaders – Lead, Grow and Sell Fearlessly and publishes the monthly LinkedIn newsletter “World’s Greatest STEM Leaders.”
